

Cooperating Technical Partners – ASFPM CTP subcommittee Monthly Call –March 11, 2020

Attendees: Alan Lulloff, Brooke Seymour and Maria Cox Lamm

Webinars:

The webinar on the State of NC No-Rise review process has been scheduled for March 12 at 1 pm central time. Laura requested that the presentation be reviewed by headquarters. Floodplain management has provided some comments. Regarding the issue as to whether both the with floodway surcharge elevation and without the floodway surcharge elevation should be used when evaluating impacts the floodplain management group has forwarded that issue to legal for their interpretation. We have received no comments from FEMA's legal staff.

Maria has not seen the webinar announcement. Alan indicated that he would send Laura the webinar announcement. Alan indicated that he would get her added to the CTP contact list to ensure she gets future announcements.

Coastal LOMRS – we have discussed that a next topic of interest is coastal LOMRs. Maria indicated that Erin Benford provided a presentation on Coastal LOMRs and Maria indicated to Erin that ASFPM likely would be contacting her.

Best Practices

Brooke had submitted three best practices – we have completed one that has been submitted. Brooke indicated that she could provide more detail on a second one by the end of March. Maria indicated there are a couple items that she could submit as a best practice.

ASFPM Conference – Fort Worth

The CTP conversation is again on the agenda for 3 pm on Monday afternoon. Laura Algeo has in the past provided an update. The subcommittee should determine what other items should be on the agenda. Alan indicated that he would contact Laura regarding the update she could provide. Brooke indicated that the ice breaker was good last year to get some conversation going. Necolle Maccherone led the ice breaker. Maria indicated that she would reach out to Necolle to lead the ice breaker again.

Brooke met with Thuy Patton about the Monday evening event. AECOMM and Wood were contractors that sponsored the event. Brooke and Maria had a conversation prior to this call to coordinate the select of a site for the event.
